

Collection of Joy™

Elegant Radiance to any Setting

Uncommon Metallic Finishes

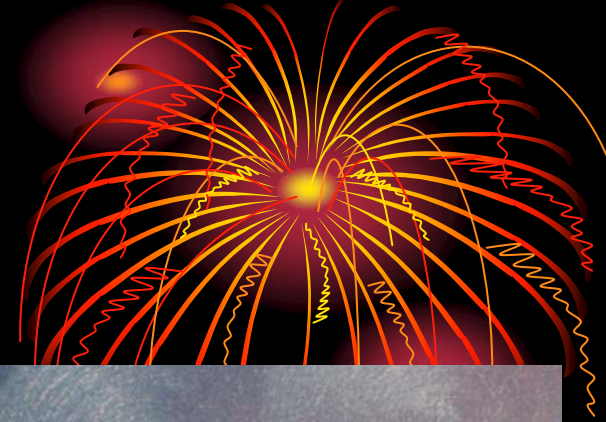

Adds visual impact to all spaces....

Collection of Joy works in many environments...

Applies quickly and easily...
in a number of artistic patterns

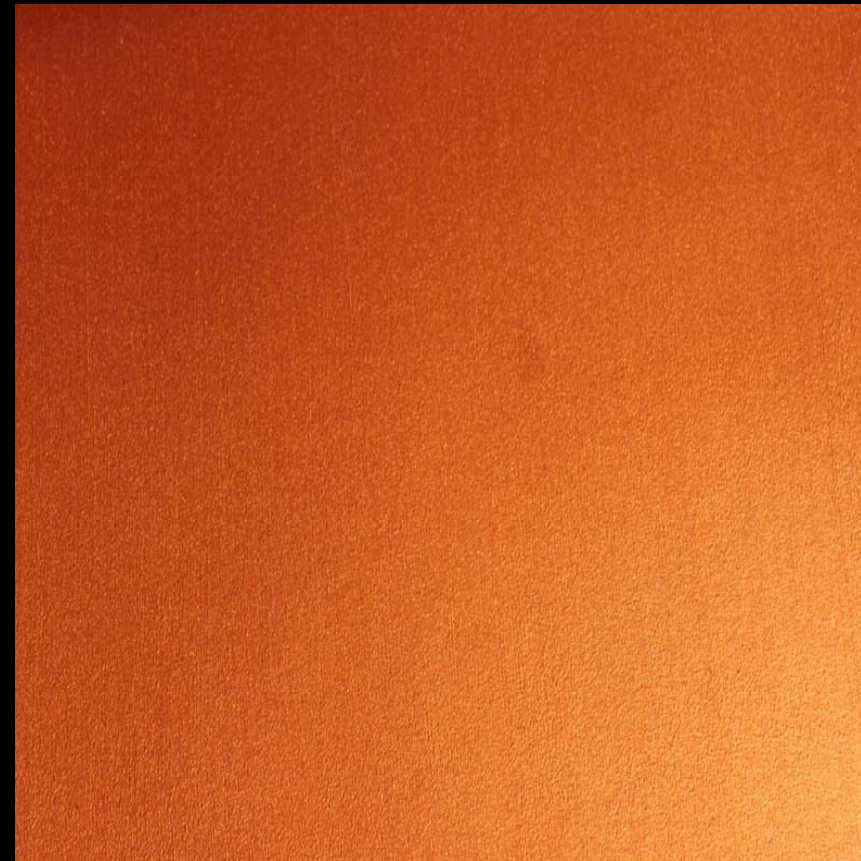

- Does not require a formal training program
- Applies by with common hand tools, such as brush or (speed) roller; may also be applied by spray
- Pattern shown: Swirls

Meets LEED and Green Seal Criteria

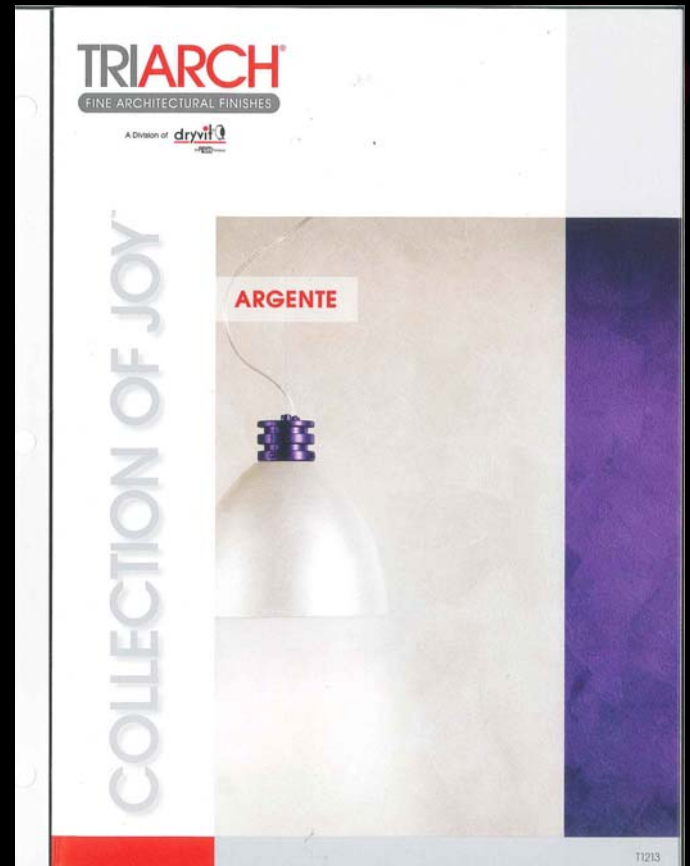

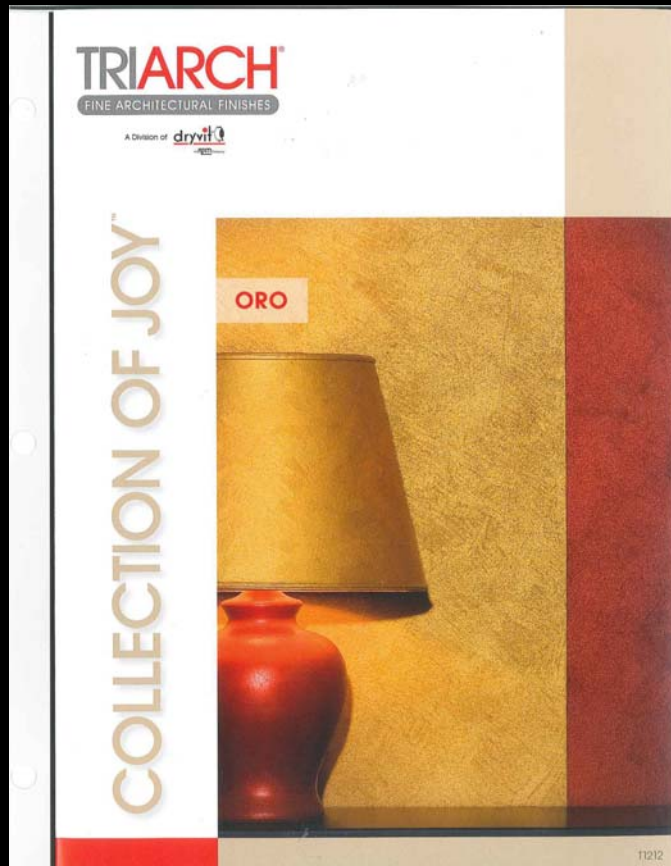

- Uses StratoTone™ pigments (zero VOC pigment system)
- Very washable without dulling or creating a burnish mark.
- Easily repaired if damaged
- Pattern shown: Combed

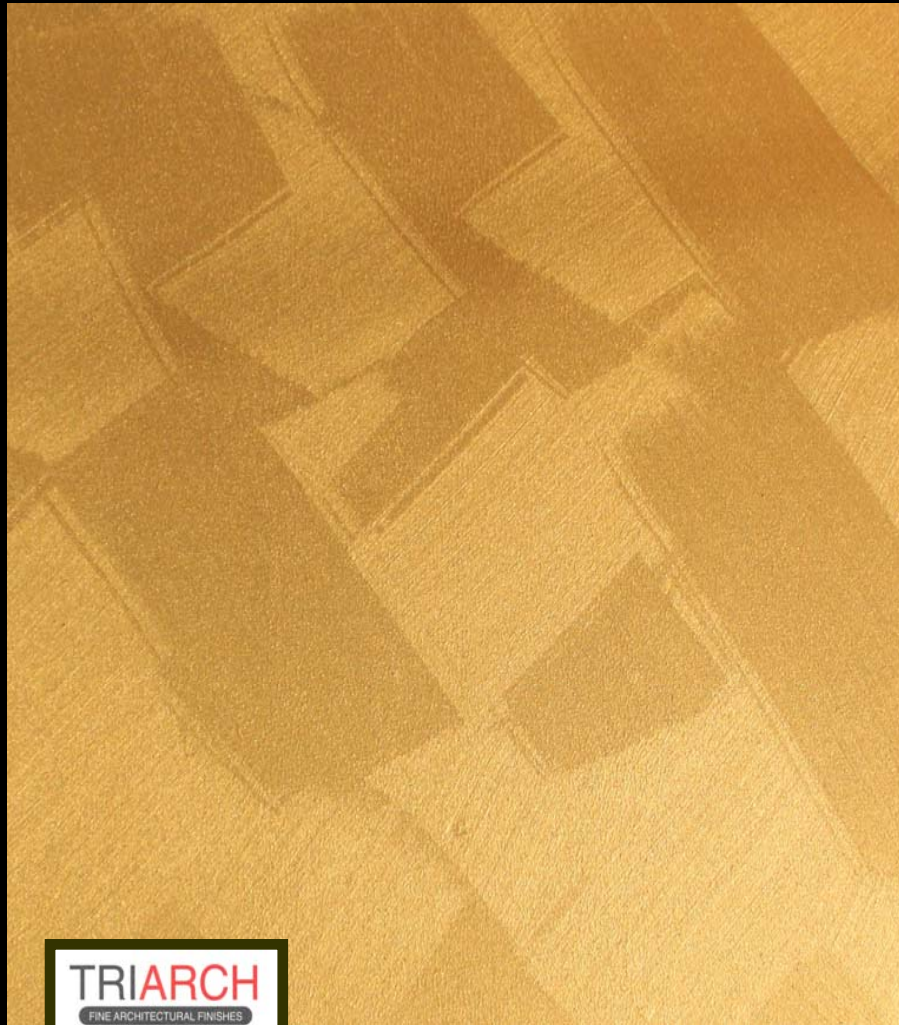

Two brochures:

Oro : T 1212...84 colors

Argente: T 1213...112 colors

Oro palette is warmer,
Argente is cooler

Sampling & Color Selection

- 196 standard colors available
- Example of color nomenclature
 - Oro = O
 - Argente = A
- So the marked color from the Argente collection would be:
A2KG
